Every Student. Every School. Every Opportunity.

Dear Friends,

You make so much possible in our local public schools. Because of you, students are exploring our world in STEM classes, creating beautiful drawings and paintings in visual arts classes, and playing symphonies in outstanding music classes. Every day, our students benefit from wonderful opportunities that YOU helped make possible.

In 2017-2018, 3,471 of you supported our students with your contributions. Thanks to you, the Ed Foundation funded \$2.73 million in programs in our schools for the 2018-2019 school year.

In this report, we celebrate your support of our students, and the opportunities you helped create to ensure an exceptional, equitable education for our children.

With sincerest gratitude,

David Vukadinovich
President

Linda Greenberg
Executive Director

Your Funds in the Classroom

\$2,733,257 for programs, thanks to you!

PROGRAMS FUNDED BY ANNUAL DONATIONS

Elementary Arts Education

Elementary students thrive with 30 weeks of standards-based visual arts, music or theatre curriculum. This distinguishes SMMUSD as one of the few districts in the state to have a comprehensive TK-12 visual and performing arts program.

Instructional Assistants

Well-trained instructional assistants at all elementary schools enable small group and individualized instruction.

Stretch Grants

Each school receives a grant to provide academic enrichment programs that are unique to its school community. These grants are often used for science and technology, additional arts education, and student health and well-being programs.

Fifth Grade Ballroom Dance

Children learn social dances as they build health, self-esteem and interactive social skills.

PROGRAMS FUNDED BY ENDOWMENTS

Sixth Grade Dance Classes

A visiting dance instructor teaches over 800 sixth grade students, while exploring hip hop and its roots in African dance.

Dream Winds, Dream Strings and Dream Voice

Music coaches assist in wind and string classes at John Adams and Lincoln Middle Schools, and in the 4th and 5th grade wind and voice classes at the four Title 1 elementary schools.

"The most impactful thing about Project Lead the Way was realizing that anyone can be an engineer and engineering is everywhere. As a freshman, engineering sounded daunting, filled with incomprehensible concepts. I discovered that engineering is about solving problems creatively as I designed my own desk organizer, toy car, and Rubik's Cube. Most importantly, I enjoyed the challenge of this class, and was even inspired to join Samohi's Youth Engineering Club, where I was secretary and treasurer for three years."

- Emily, Samohi Class of 2018

Project Lead the Way is a STEM program funded by your donations.

"The arts made me realize who I am, what I want to do with my life and the kind of person I want to be. I have discovered myself through the arts.

If you donate, you are changing students' lives. Students appreciate donor support so, so much. By donating, you are providing kids with life-changing experiences every single day."

- Adya, Samohi Class of 2018

The Ed Foundation is proud to support middle and high school theatre programs.

Guitar and Music Performance Classes

Two music classes are offered to students at Olympic High School with 10 hours of instruction per week.

Middle and High School Theatre Programs

Over 500 students perform in theatre programs at all SMMUSD middle and high schools.

Visual Arts Grants

Middle and high school visual arts teachers enhance their curriculum with equipment, materials and supplies.

Third Grade Recorders

All third graders receive recorders and accompanying music books in their general music classes, the foundation of the District's internationally recognized music program.

Music Lessons and Instruments for Qualifying Students

Students grades 4 through 12 enrolled in the free and reduced lunch program are eligible to take music lessons and receive instruments. This gives interested music students the opportunity to further their love of music and excel in the district's award-winning music program. This funding comes from the Ed Foundation's Peggy Bergmann Arts Endowment Fund, in memory of Lenore Bergmann and John Elmer Bergmann.

LIBRARY GRANTS

Support for all 16 school libraries is available through our partnership with American Book Drive.

FEE-BASED PROGRAMS

Summer Adventure

Co-sponsored with the Santa Monica-Malibu Council of PTAs, Summer Adventure is a summer enrichment program for over 900 students in elementary and middle schools.

SCHOLARSHIPS

The Ed Foundation manages three scholarship funds. The Jimmy Bromberg Memorial Fund provides computers for qualifying students, the Samohi Scholarship Fund provides college scholarships for graduating Samohi students, and Dun & Bradstreet Scholarships provide college scholarships for Dun & Bradstreet SMMUSD summer interns.

The Ed Foundation supports programs for students through annual contributions, events, endowment income and other earned income sources.
